Paul Revere Connections

The Paul Revere Life Insurance Company supports multiple enrollment solutions and integration with a wide range of benefits administration and human resource information systems to give you and your clients simpler, streamlined benefits enrollment and administration. Whether you want to use our own proprietary enrollment technology or need a more flexible solution, we have options to fit your needs.

Our connections capabilities give you:

- Seamless enrollment of core and voluntary benefits through single user sign-on to your web-based ben admin system.
- Access to our comprehensive voluntary portfolio, featuring both individual and group products.
- Systems administration strategies designed to generate revenue through our voluntary insurance portfolio and make your job easier.

The connections approach is a good fit for brokers who:

- Use a ben admin system for core enrollments and want to take advantage of a new revenue stream available with voluntary benefits through seamless integration with their current ben admin platform.
- Want a simple, seamless way to integrate voluntary products into ben admin systems already in use by current or prospective clients.
- Need a ben admin system to manage core and voluntary enrollments. We're already connected to a number of systems, including **BenefitDirect, BenefitElect, BenefitFocus, benefitsCONNECT, BeneTrac, Businessolver, Common Census, Employee Navigator, Endco, InfinityHR, PlanSource, Premier Enroll, Selerix and Unity.**
- Use one or more of the following enrollment methods: 1-to-1 benefits counseling sessions, co-browsing, call center and self-enroll.

Let us enhance your current ben admin strategy with our flexible enrollment technology integration capabilities. For a connection assessment, call 1-800-438-6423 (option 2, 5).
