Powerful partnership, powerful results

bswift®

Introducing bswift, software with the flexibility to meet your clients' unique needs, provide more efficient benefits management and simplify enrollment. The bswift connection combines ease of use with powerful customization features designed to make your job – and your clients' jobs – easier.

By working with The Paul Revere Life Insurance Company and bswift, you're providing your clients streamlined access to the best both companies have to offer.

The Paul Revere Life Insurance Company

- A broad portfolio of coverage, including: Life, Disability, Accident, Specified Disease for Critical Illness, Hospital Indemnity, Dental and more
- Flexible underwriting to help the maximum number of employees qualify for coverage
- Cost management and HR/administrative strategies to help your clients save time and money
- Benefits communication and education to help employees better understand their benefits
- A network of local benefit counselors to help educate and enroll employees
- A long-term service commitment that helps nurture lasting relationships

bswift

- Over 20 years simplifying health care administration, reducing costs and empowering employees through software and technology
- Easy one-stop enrollment solution for groups of any size
- An online enrollment experience that explains and enrolls members in all products
- Fully automated interchange engine that delivers benefits information to carriers and payroll systems — improving accuracy and removing the need to manually enter data into multiple systems
- Simple and convenient data access and analysis through standard one-click reports, bill reconciliation and ad hoc capabilities that export in a variety of formats
- Custom user experiences configured for each account through specific rules and roles
- Agent-assisted, call center and self-enroll enrollment methods supported by the system — allowing for maximum enrollment flexibility
