Voluntary benefits make it possible

For many employers, benefits seem out of reach. That is, until they learn about voluntary benefits.

These enable you to offer employee-paid policies, so there's no impact on your budget. And premiums can be payroll-deducted pre-tax, making them more cost-effective and convenient.

Best of all, they give you a way to insure those who ensure the success of your business.

Empower your employees

- **Cover expenses during illnesses or emergencies**
  Voluntary benefits pay the same amount regardless of what other policies may cover
- **Increase their take-home pay**
  Voluntary benefits can be paid pre-tax, lowering taxable income
- **Save money on their coverage**
  Voluntary benefits are often more affordable through employers
